Profiling GH Pools & Spas Staff

Sunbather's solar system can be combined with a gas heater or electric heat pump to provide you with the most cost efficient heating for your pool.

Call us today to arrange for a quote!

We have a large variety of automatic cleaners at incredible prices.

Visit the store nearest to you.

This month's staff profile moves to our Rowville Store. This issue Paul Taylor will be profiled.

Paul is our Store Manager in Rowville. Paul joined GH Pools & Spas 5 years ago after spending 3 years in England playing cricket.

Paul holds numerous certificates of achievements pertaining to water analysis and chemical knowledge. He has an extensive knowledge of pool products and he is able to assist you with any pool/spa problems that you may be faced.

He has traveled many parts of the world and his favorite place is NYC.

Paul is a sport fanatic, with cricket on his top agenda followed by AFL and English soccer. A mad Hawthorn supporter, who has regrets in non being able to see any more of his players on the footy show.

GH POOLS REWARD PROGRAM COMING SOON!!

Commencing in November, the GHP Loyalty Program will be launched.

What is the GHP Loyalty Program?

In simple terms, for every purchase that you do you get 5% off the price. The 5% discount is then recorded on your GHP Loyalty Card and on the sixth visit and purchase to our store, you can redeem the accumulated discounts towards your purchase(*). **Easy as 1,2,3.**

Some of you may have had already the opportunity to sign up for a card. So we urge you all out there, to pass the word around and come into our store to sign up to the program. **You will not be disappointed!** *conditions apply

Do you want to earn some extra \$\$\$\$ this summer?

GH Pools Niddrie and Rowville stores have the following vacancies:

•2 x Casual Sales Assistants - Location: Niddrie & Rowville. Period of work: From October 2005 to February 2006— 4 days a week (may include week-end on roster).

Interested??

GH Pools Want's You!!

p.s. send a brief CV

It's Time For A Sand Change!!

For the highest quality filtration, it is recommended that your sand be changed every 3-5 years.

Reduce chemical costs and have safe sparkling water with regular service (annually) and sand changes every 3-5 years.

Call or email Greenhouse Pools & Spas NOW to book your Sand Change
