Kreepy Krauly awards Premium Dealership and Authorised Dealer to GH Pools & Spas

Kreepy Krauly and GH Pools & Spas continue their growth

It is with great enthusiasm to announce that GH Pools & Spas Niddrie has been granted Premium Dealership from Kreepy Krauly; only after its first year of trading under the new ownership. GH Pools & Spas Niddrie blitzed its competitors by selling more units and original spare parts in one season to be awarded the Premium Dealership. To be awarded such status is of great interest as this means that our clients who purchase any automatic cleaners from the Kreepy Krauly range will also carry an additional 12 months warranty on top of the current 2 years offered.

On the same day, our Rowville store was awarded the Authorised Dealership. Both stores are now geared up to ensure that if you are looking for a reliable, and most dependable trouble-free pool cleaner, you can now purchase it from either one of our stores.

For pool cleaning peace of mind, insist on Kreepy Krauly for your pool.
